Having a secure, loving bond with a parent and their encouragement and support to develop good social, emotional and cognitive skills gives children a secure base from which to explore, learn, relate to others, and flourish.

But being a parent isn’t always easy. Children whose parents are struggling to cope with problems such as illness, disability, poor mental health, poverty, homelessness and domestic violence, can all too often miss out on the love, routine and support that are so vital for their future.

The families we support often have complex and long term needs which create multiple risk factors for the children’s development.

Our Services

- Home-Start has a range of home and community based services for families, tailored to their individual needs and circumstances:
- Home visiting support from volunteers with parenting experience – usually on a weekly basis
- Emotional support to help parents find ways to manage and resolve problems
- Direct support to children, including playing, listening, having fun, establishing feeding routines, encouraging development and providing opportunities for outings and treats
- Practical help, perhaps with budgeting, nutrition and meal planning, cooking and making the home safe
- Outreach and family group work so parents can get out and meet others and become more involved in their own community
- Information and links to other organisations including health and educational services
- Attendance at meetings and moral support, especially in relation to dealing with case conferences and dealing with solicitors and court cases
- Access to parenting advice and parenting skills training

Home-Start can:

- change how parents think and feel about themselves
- help them cope with the challenges they are facing
- support them to provide good early parenting

We offer a universal service, to all families whatever their background and need, with a particular focus on families who are socially excluded and not engaging with other services. Support is delivered through a UK-wide network of self-governing local Home-Starts.

Home-Start services are rigorously Quality Assessed through a Charity Commission endorsed system
Our approach to evaluation

Home-Start is committed to providing real evidence of the difference we make for families.

Over the last few years, we have invested in a range of research and evaluation tools in order to better understand the effect of our services on children's and families' lives.

Three years ago, we introduced a new online tool to help local Home-Starts measure change in every family they support. This has enabled us to capture a wide range of data on children and family needs, the collective nature of support local Home-Starts provide and on the journeys of change that families go on during the time they are supported by a Home-Start volunteer.

This monitoring tool focuses on four core areas critical to family health and well-being:

- Parenting skills
- Parental well being
- Child well being
- Household management

It provides real evidence of the positive difference that family support from a Home-Start volunteer makes to parents and children, among families who have complex and long term needs. It also demonstrates the highly challenging family contexts within which volunteers are operating.

Does what we do make a difference for the better?

Yes: Home-Start helps parents build better lives for their children.

Independent research published in 2013 after three years studying families showed:

- Children whose parents have had the support of a Home-Start volunteer have a better start in life than those who don’t.
- Children are still benefiting up to three years after their Home-Start volunteer has stopped visiting.

Separate research into how well each family is coping and how resilient they are tells us families supported by Home-Start are less isolated, more resilient, show improved mental and physical health, see improvements in children’s behaviour and well-being and have less stress and conflict in the family.

- The proportion of parents rating themselves as coping ‘most of the time’ rises from 29% at Home-Start’s first visit to 45% after our support.
- Home-Start’s support increases families’ capacity to cope with the issues they are facing. At the beginning of support, the average level of coping for a family was 2. At the end of support the majority were coping at level 4 or above.

We hope that future Social Impact Reports will chart Home-Start’s growing ability to provide further evidence that will help

Families supported by Home-Start Blackpool, Fylde & Wyre are less isolated, more resilient, show improved mental and physical health, see improvements in children’s behaviour and well-being and have less stress and conflict in the family.
Team

This might seem an obvious word to use to start writing about teamwork! However, without our team of staff, volunteers, trustees, advisers, supporters, funders and patrons HSBFW would not exist. All the team give so much of their time to provide support and friendship to those needing our help.

Expertise

Our staff, volunteers, advisers and trustees have a wealth of experience and expertise between them. Many of them willing go the extra “mile” showing great enthusiasm for their role.

Appreciate

As Chair of the Trustees of Home-Start Blackpool, Fylde and Wyre I cannot express strongly enough my appreciation of the contribution made by staff, volunteers, advisers, patrons, supporters, funders and trustees for their commitment and support of the work that we do with local families.

Monitoring

The role of the trustees is to be responsible for the governance of the scheme, provide overall direction and maintain sound management of the funds. This is to ensure that the scheme is operating within the guidelines as set out by HSUK. In the recent Quality Assurance Assessment of the scheme carried out by HSUK and I am proud to say that the review evidenced 90% of performance indicators and is categorised as good.

Welfare

The welfare of the staff and volunteers is of paramount importance to the operation of HSBFW. The staff of HSBFW is our greatest resource. They in turn have the welfare of the families at the heart of the support they provide.

Organisation

The scheme operates according to the Memorandum and Articles as set out by HSUK. The day-to-day operation of the scheme is the responsibility of Pat Naylor, our Scheme Manager who brings a wealth of experience and total commitment to her role. She is ably supported by the rest of the staff.

Response

HSBFW aim to offer a service in response to all who need it wherever possible. Sometimes, however, we are unable to offer our service when the response is more appropriate for Social Services. The staff and volunteers treat each family with respect and reassurance often at a time when all seems lost. The demand for our service is ever increasing and challenging.

Knowledge

The training that the staff and volunteers undergo is thorough and on-going, raising awareness of any changes in procedures and legislation. The staff use their knowledge and experience to offer a bespoke service carefully matching an appropriate volunteer to the family. We continue to learn and grow together.

Carole Harrison - September 2017
Life Never Stands Still at Home-Start!

This financial year 2016 - 2017:

- Thanks to the hard work, commitment and determination of our staff, volunteer and trustee team we have **achieved all our targets** relating to funding, overachieving in many areas. Funded projects are:
  - Blackpool & Fylde Family Support – Home-Visiting and Group work. Funded by **Big Lottery, LCC Central Gateway Grant & LCC Public Health** (funded ended March 2017)
  - Wyre Family Support - Home-Visiting and Group work. Funded by **Big Lottery** (funding ended January 2017), **LCC Central Gateway Grant & LCC Public Health** (funded ended March 2017)
  - Big Hopes Big Future – School Readiness Project. Funded by the **Lytham Schools Foundation**

- We have worked with Home-Start Schemes across Lancashire to develop the **Lancashire and Cumbria Consortium**, to enable us to apply for pan Lancashire tenders – increasing the sustainability and longevity of Home-Start across the County, and to develop the work of Home-Start in Cumbria.

- After months of planning, negotiating, painting, decorating, cleaning, sorting, laughing and crying, we opened our **Charity Shop** on 27th May 2016! Recruiting and training a team of 38 committed retail volunteers (125 St. Albans Road, St. Anne’s FY8 1UY). Huge thanks have to go to our team of Trustees for the steadfast support and faith in the work of the scheme. We were lucky enough to receive funding from the **Vera Wolstencroft Children & Animal Charitable Trust** to pay for our first 12 months’ rent, and 6 months set up and running costs.

- We have received **217 new referrals** across Blackpool, Fylde & Wyre. Our biggest referrers are Health Visitors, closely followed by self-referrals and education.

- We have supported **245 families with 581 children** through home-visiting and group work

- We have hosted pre-school **Stay and Play Groups** in Blackpool, Fleetwood, St Anne’s, Wesham (pre-school) and a **Junior Youth Club** for children aged 8 – 11 years of age in Freckleton. We have been lucky enough to hold our groups in venues for no cost. Thanks go to **St Paul’s Church in Blackpool, St Thomas’ Church in St Anne’s, St Joseph’s Primary School in Wesham, Fleetwood Methodist Church, Wesham Scout Group and Progress Housing**. In January 2017, we took over the St Joseph’s Stay and Play group from **Pear Tree Children’s Centre**.

Remarks from Pat Naylor

**Scheme Manager**
Our team have:
- Recruited and trained **34 new Home-Visiting & Group Volunteers**
- Delivered three **Volunteer Preparation courses** for the above volunteers – 40 hour courses spanning 10 weeks, facilitated by our experienced staff team
- Trained 15 more volunteers for our **Big Hopes Big Future** school readiness project, with funding from the Lytham Schools Foundation

We have offered our staff, trustees and volunteers continuous **personal development opportunities** in:

- Customer Service
- Safeguarding
- Data Protection
- Parenting Teenagers (surviving the teenage years)
- Youth Work
- Dementia Friends
- Domestic Abuse
- Food Champion Training
- UCLan Practice Educator
- Bullying and Self-Harm
- Emotional Abuse, Neglect and Faltering Growth
- Neuro Linguistic Programming
- Mental Health Awareness
- First Aid
- Deaf Awareness
- Prevent Agenda
- Basic Food Hygiene
- Alcohol, Harm and Anger Management
- Pension Wise
- Lancashire Fire and Rescue Referrals Process and Fire Safety Training
We continue to develop partnerships with local agencies to offer fully funded training to our staff and volunteers, from organisations including: Lancashire Safeguarding Children’s Board, Fylde Borough Council, Blackpool Council, UR Potential, The British Red Cross, The Skills Network, and the Dementia Awareness Team.

Our work the University of Central Lancashire (UCLan) continues to develop. One of our staff has undertaken the Practice Educator course to enable us to host 70 day placement opportunities for Social Work Students.

In May 2016, we were invited to attend the Fylde Borough Mayor Making Ceremony. Cllr Christine Akeroyd became the Mayor of the Fylde with Helen Akeroyd as Mayoress, and announced that Home-Start BFW was to be one of the charities for their Mayoral year 2016 - 2017. We were presented with a cheque for £8,000 – what an amazing achievement from the Mayoral team; Thank You!

My thanks go to our wonderful team of Staff, Trustees and Volunteers who give their vast expertise and time to Home-Start and firmly believe in supporting parents to give their children the best start in life.

Pat Naylor, Scheme Manager
Home-Start Blackpool, Fylde & Wyre is managed and funded locally. We are supported by the national organisation, Home-Start UK, which offers advice, training, information and guidance to the Home-Start network to ensure consistent and quality support for parents and children.

We tailor our support to each family and their specific needs, and we work with the whole family, providing a package of support, comprised of emotional and practical support, activities with children and help to access services.

1st April 2016 – March 2017

Last year we supported 222 families

97 families through Home Visiting

102 families came to group

23 families had Home Visiting and Group Support

We have supported 566 children through home-visiting and group

252 Under 5’s

314 Over 5’s
An analysis of over 222 families supported by Home-Start Blackpool, Fylde & Wyre from 1st April 2016 – March 2017 showed them to have a wide range of needs.

- 16% of families were Emotional Support and Isolation
- 29% of families had Mental Health Difficulties
- 26% of families are Lone Parents
- 8% of parents had Post-natal Depression
- 5% of families had Learning Disabilities
- 8% were experiencing Domestic Abuse
- 68% of children were subject to Child protection, Child in Need or Single Assessment plans
- 3% of families needed help managing their children’s behaviour

Working with families with multiple and complex needs
**Key findings:** Families that Home-Start have supported and has made progress in all four areas of need. Parental Health and Well-being, Child Health and Well-being, Parenting Skills and Family Management

### Better outcomes for children and families:

**Copin g No** | **Coping Description** | **Initial Visit Score Total** (Sum of all coping scores) | **Total number of Initial Visits Undertaken** (where coping score is collected) | **Average Initial Score** (for all families where coping is collected) | **Review Score Total** (Sum of all coping scores) | **Total number of Reviews Undertaken** (where coping score is collected) | **Average Review Score** (for all families where coping is collected) | **End Score Total** (Sum of all coping scores) | **Total number of End Visits Undertaken** (where coping score is collected) | **Average End Score** (for all families where coping is collected)
---|---|---|---|---|---|---|---|---|---|---
A | Parenting Skills | 263 | 106 | 2.5 | 382 | 125 | 3.1 | 179 | 47 | 3.8
B | Parenting Well-Being | 157 | 98 | 1.6 | 316 | 139 | 2.3 | 161 | 53 | 3
C | Children's Well-Being | 129 | 49 | 2.6 | 236 | 74 | 3.2 | 101 | 28 | 3.6
D | Family Management | 137 | 71 | 1.9 | 243 | 101 | 2.4 | 133 | 37 | 3.6
Volunteers

Without the support, dedication and commitment of our volunteers, we would be unable to deliver a service to our families. Over the years we have trained 181 volunteers to help and support the families. Some of the volunteers have moved on to employment or after several years taking a break. During the year we also offer further training to our volunteers, here are just a few:

- Skills Network Level 2 courses
- First Aid Training
- Big Hopes Big Future
- Safeguarding
- Data Protection
- Health and Well-Being
- Mentor Training
- Basic Food Standards Course
- Pension Wise Talk from Linda Page
- At the prep course we bring in various other agencies to give the volunteers an insight to what is available in the community.
- We also organised social events, such as a lunch, afternoon tea, meals out.

We are also fortunate that some of our volunteers give their support in other ways aside home visiting such as working in our fundraising shop, fundraising events, group support and admin support.

_Congratulation to our new volunteers_

_Graduating from the January and July ‘prep’ course_
Our Volunteers complete a 40 hour Preparation course before becoming a Volunteer. Once our volunteers are trained, they will use their skills they learnt on the prep course to make a difference to a family. They cover a wide range of modules:

* The principles of Home-Start
* Being a Home-Start Volunteer
* Values and attitudes
* Confidentiality
* Safeguarding Children/Child Protection

* Role of a Home-Start Volunteer
* Supervision and support
* Family life and supporting parents
* Listening
* Keeping safe

**From April 2016 – March 2017**

- Total number of visits: 1288
- No of visits that took place: 741
- No of visits did not take place: 539
- No of visits unknown: 8

**Since we have opened in April 2010, 181 volunteers have completed the Preparation Course**
Opened May 2016

The shop is in full swing, we have gone for a 'boutique' style, lots of bright, summer colours, summer clothing and 'nice' things.

The style is one of space and light (no, not outer space lol)

Thanks to The Fylde Mayor, Christine Akeroyd, Deputy Mayor Cllr Angela Jacques and Mark Menzies MP For their support.

Our shop helps us to fund our work – we are working with some amazing families, supporting them to give their children the best start in life.
If you would like to volunteer in the shop please call our office on 01253 728615
Thank you to everyone that kindly donated food, clothes, furniture, bedding etc. It was gratefully received from our families.

We would also like to thank those who donated monies whether it be through sponsoring, fundraisers or supporting Home-Start by choosing us as their charity.

Here are just a few of our Events

Our food donations keep coming, thanks to all who donate.

Family Groups
We would like to introduce you to our New Senior Coordinator
Lesley Hoyle

Lesley has been a part of Home-Start from the very beginning in 2010.

Lesley started as a volunteer, whilst working at Beaverbrooks, she continued to support several families over the last 5 years and realised that supporting families is what she wanted to do.

In June 2015, Lesley became a Coordinator for Home-Start and in May 2017 was promoted to Senior Coordinator.

Lesley has been an asset to the team. Well done 😊

Home-Start in Action: https://www.youtube.com/watch?v=4TyJaT07htQ

Up and coming events all in aid of Home-Start

14th November - Shop Fashion show
Venue: Pensioners Hall, St Albans Road, St Annes
Modelled by Carlla and her models
£3.00 including tea & coffee

18th November - The Mayor of St Anne's, Cllr Karen Henshaw - Fundraising Event
Venue: St Margaret’s Church, St Annes
A Cracker of a Christmas Fashion Show
£6.00 including tea, coffee or bucks fizz and mince pies
Fashions from Freeport, Fleetwood

For tickets, please contact Home-Start Office
Since completing Level 3 Children and Young People’s Workforce, I decided I needed more experience in this work area and through friends at college, I heard about Home-Start. I enjoyed volunteering previously throughout my course and thought to give it another go somewhere different.

Home-Start started opening many doors for me; I was able to access training such as Big Hopes Big Future and complete Level 2 in Mental Health awareness. I was also part of a team that helped to run the Holiday Summer Club. The training opportunities and support I have received has given me knowledge and different techniques to use to be able to support a family and to help them gain confidence to move forward without the support of Home-Start, to enable the families to empower themselves. Noticing the difference it makes to someone’s life, it has given me the drive to pursue this as a career but also have a sense of pride in the fact I can give something back to the community.

Home-Start is not only a place of working but a big family where I know I can count on anyone for help, understanding or to lend an ear to vent to. They have given me the time to be able to talk about my own personal struggles and the confidence to keep striving to be the best I can, the very same thing I try to empower the struggling families to do.

Stephanie Cartmell
Volunteer

Family Comment

“Home-Start made me find myself. I had got myself at a low point in life a year ago and today I look back and thank Home-Start”
Reaching the Community

Home-Start Blackpool, Fylde & Wyre connects families with other services in their community.

With the support of their volunteer, families can make appropriate use of doctors, dentists, children’s centres, parent and toddler groups, mental health services, and improve their well-being by making steps towards a healthier lifestyle. Healthy Lifestyles advice is around eating and exercise, smoking and smoke-free homes, breastfeeding and good mental health.

In 2013, newly published longitudinal research* showed that:

- children whose parents have had the support of a Home-Start volunteer have a better start in life than those who don’t

- children are still benefitting up to three years after their Home-Start volunteer has stopped visiting

Researchers compared three groups of parents. In one, each family had a Home-Start volunteer. The two control groups had no volunteer support.

At the three year follow up, the Home-Start UK group showed more improvements than the two other control groups in the areas of:

- more responsive parenting
- children showing less temper and anger issues and less anxiety

The study showed that parents in the Home-Start group:

- had more positive changes in parental well-being, competence and behaviour
- parented more consistently
- there was less rejection of their children
This, as all previous years, has been another challenging year with many changes for Home-Start Blackpool, Fylde and Wyre. However, the Financial Statements show the Scheme to be in a healthy position at the end of this financial year.

Events that have had a financial impact include the legal obligation to provide a pension scheme for our eligible staff from 1st August 2016 under the Pensions Auto enrolment scheme. This resulted in extra expenditure to be accounted for from August. However, this obligation had been budgeted for and was therefore expected in this financial year and going forward.

The major impact for us was the ending of Lottery funding for the Wyre area in January 2017. From January to September, when the new Lottery funding began we had to support the Wyre staff and operations through use of our reserves. For this we were extremely grateful for our donations, the income from the shop and our proactive effort throughout the year to increase our reserves.

The other main financial impact was the charity shop opened at the end of May 2016. Since the shop was opened it has been financially successful but sometimes suffers due to a lack of volunteers. However, it has been a welcome source of income to support the scheme when the funding ceased in January. At the end of this financial year the shop income was almost £15,000.

As mentioned in last year’s report we were pleased to be one of the Mayor’s charities for last year. At the end of the year we received almost £8,000 from this source. We were, and are, extremely grateful for this substantial sum of money.

Reserves:
This year has seen a concerted effort to build up the reserves of the scheme. This is even more important now that the scheme and the number of staff have grown. The Barclays account is being used as the reserves account and all unrestricted funds are being kept here. The charity shop is currently being accounted for separately and is financially independent of the scheme in general with a separate bank account. However, we have been extremely fortunate this year to be able to use the income generated by the shop to support the scheme through some of the period where funding had ceased.

Charity Shop:
The charity shop on St Albans Road in St Annes is now financially self-supporting and continues to provide much needed income for Home-Start Blackpool, Fylde and Wyre. As well as being a financial success, the shop is also increasing the profile of Home-Start and, perhaps, more importantly, helping the community in which we are based.

Lottery Funding:
At the end of August we were informed that we had secured Lottery funding from September 2017 until March 2020. This will ensure that we can carry on the important work of Home-Start Blackpool, Fylde and Wyre.

As always we are indebted to all our supporters, large or small, regular and one off donations. In addition we are grateful to all those who have given donations to the shop and agreed to Gift Aid their donations. This provides us with an additional 25% courtesy of HMRC. Without our wonderful supporters it would be difficult to continue with the good work of the scheme.

We continue onwards as a larger scheme, with the associated financial responsibilities. With the ongoing commitment and support of our staff, volunteers and Trustees I am confident that we will move on in a financially stable manner through the next financial year.

Karen Eaton
September 2017
Thank you to all of those who supported Home-Start in so many different ways, through donations, fundraising, their time and expertise, we are truly grateful.
